

2026

Tuition

Full-Day

5 days per week

5+ hours per day

\$77 per day

Part-Day*

5 days per week

0-5 hours per day

\$67 per day

**The part-day rate is only available for kids attending the Early Childhood (EC) program at a school district, only on days of attendance. For example, if the child attends EC four days per week, the fifth day will be charged the full-day rate, no matter how many hours the child attends TOTS (in this case $4 \times \$67$ plus $1 \times \$77 = \345 per week).*

Only 5-days-per-week enrollment is available in our Pilot Groups.

Thank you, donors!

We can offer these tuition rates only because of the generosity of our supporters. We are a 501(c)(3) non-profit organization, and our ongoing fundraising efforts are vital to keeping our doors open. Families will get tuition discounts for actively participating in fundraising; details will be shared with each event.

Did you know?

Tuition would have to be \$1,050 per week per child to cover our low ratio and additional supports. No way would we charge that! We believe in offering care at average market prices, not doubling tuition just because a child has special needs.
